

If donations are not appearing on your walker webpage, follow the steps below to correct it.

Login

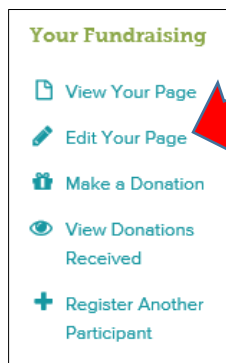

Go to your NAMIWalks page and click the LOGIN button at the top of your screen. Log in with your with your username and password.

Step 1:

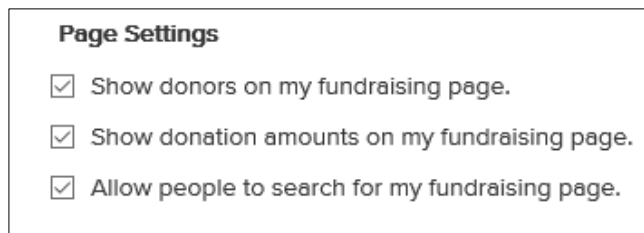

On your personal walker page, you will see the “Your Fundraising” box on the right.

Click **Edit Your Page**.

Step 2:

Scroll all the way down to the **Page Settings** section. Checkmark the first two boxes for donations to appear on your fundraising page. Checkmark the last box if you want your page to be searchable.

Step 3:

Be sure to click the **Save Changes** button at the bottom.
