Join us at the Mercer County NAMIWalk as we raise awareness & funds for our mental health programs and support services:
**Family Education & Support | Peer Education & Support
Speaker's Bureau | Anti-Discrimination & Advocacy**

Why We Walk...

- because one in five Americans lives with a mental health condition;
- to improve the lives of people who are affected by mental illness;
- to build awareness and end stigma by encouraging others to learn about mental health and see the person, not the illness;
- to raise funds to provide support, education and advocacy programs at no cost;
- because we want the community to know we support mental health initiatives.
