FOUNDED IN 1984, NAMI MERCER is the local affiliate of the National Alliance on Mental Illness. We are dedicated to improving the lives of individuals and families affected by mental illness through education, advocacy and support. NAMI Mercer believes in recovery; socio-economic status should not be a barrier to mental health and wellness. We therefore provide our programs and services at no cost to individuals and families living with mental illness because everyone deserves the opportunity to achieve recovery. The support of community, individual and corporate partners is critical to our mission and allows us to serve 5,000 individuals in the Greater Mercer Area each year. Your contribution supports our mission and these program offerings:

Individual Support

- **NAMI Connection:** Bi-weekly recovery support group for adults living with mental illness
- **WRAP®:** An eight-session workshop during which adults design their own Wellness Recovery Action Plan. *Spring & Fall – Weekly Online Support Group Available*
- **Just Friends:** Social Support Group with scheduled activities for adults, age 30+
- **Becoming Friends:** Social Support Group with scheduled activities for 19-30 year olds
- **Overcoming Social Anxiety Workshop** (offered in partnership with *Find Your Voice*) *Spring and Fall*
- **Ask the Social Worker Monthly Teleconference**

Family Support

- **Intensive Family Support Services (IFSS):** Weekly support groups for families of adults living with mental illness (*offered in partnership with Oaks Integrated Care*)
- **Family to Family:** 12 session education course for families and friends of adults living with mental illness - *Spring and Fall*

Helpline

- Trained volunteers respond to Helpline inquiries, providing support and resource information for those seeking assistance with a mental health condition *Available Weekdays*

Education Programs

- **Harvest of Hope:** An Annual Wellness Conference featuring an inspiring keynote speaker and interactive workshops. *Fall*
- **In Our Own Voice:** A 60-90 minute presentation based on personal stories of recovery intended to shatter negative stereotypes of people living with mental illness. *Booked upon request.*
- **Spotlight Speaker Series:** A presentation based on personal stories of recovery that invites teens to engage in meaningful conversation about mental health. *Booked upon request.*
- **Parents and Teachers as Allies:** A presentation to help parents and school personnel create a supportive learning environment for students living with mental health conditions. *Booked upon request.*
- **Public Education Meetings:** Presentations by local experts to provide current information on mental health and build supportive community. *Monthly, September through May*
